Director

SUBJECT: **RESPONSE TO BOARD MOTION TO INITIATE PROGRAM 10:  
INCLUSIONARY HOUSING PROGRAM OF THE HOUSING ELEMENT  
(AUGUST 5, 2008, ITEM #68)**

At the public hearing for the Los Angeles County Housing Element on August 5, 2008, the Board instructed the Department of Regional Planning (DRP) to initiate the required feasibility study for establishing an inclusionary housing program, and report back to the Board within a year.

**Program 10: Inclusionary Housing Program**

The intent of Program 10 of the Housing Element is to consider the feasibility of establishing an inclusionary housing program for the unincorporated areas.

Since August 2008, the DRP staff has prepared a preliminary draft of the study, which includes an extensive literature review of research on inclusionary housing, and the results of a stakeholder survey. The preliminary draft also reflects outreach with numerous stakeholders, including but not limited to planners from other local jurisdictions, building industry representatives, housing advocates, researchers and housing developers. The DRP staff also worked closely with CDC staff and the Housing Advisory Committee to identify key issues.

In light of the court decision in *Palmer/Sixth Street Properties vs. City of Los Angeles*, which found that mandatory affordability requirements for rental housing violate the Costa-Hawkins Act, the DRP is reworking the preliminary draft to ensure consistency with this recent decision. In addition, due to staff resource issues, the progress on the completion of the study has been delayed.

The Honorable Board of Supervisors

April 1, 2011
